### **A REPORT**

The program on “CAREER GUIDANCE” was organized by Medical Education Unit in Nagarjuna hall on 14/02/2020. This was organized for the interns. The details of the program are

Welcome address by Dr. Manjunath G.N, Coordinator of MEU

This was followed by

- Dr. Manjunath G.N discussed about the Career options after completing MBBS. Other than the post graduation where all they can be accommodated were explained. More challenging professions in state and central Govt., like Defence, Civil Services, Railways and PHCs were informed. Also about the private sectors both for general practice, Research, Pharma Industry, Medical writing, and so on.
- Dr. Shashiraj H.K from the Department of Physiology, spoke about the guidelines, pattern and scope for appearing to the USMLE and PLAB examination in detail.
- We had invited a Guest speaker from the primary health center Dr. Rakshith Nagaraj who gave the clear picture of how good it is to join the PHCs and its benefits, and also regarding the Job profile..
- Vote of thanks was given by Dr. Krishna Iyengar from the department of community medicine
- Total number of participants were 46
