

Profile's of Dean (Dentistry)

Dr. Praveen B Kudva

BDS, MDS (Periodontology)

Dean (Dentistry)

Sri Siddhartha Academy of Higher Education

Agalakote, B.H. Road, Tumkur – 572107

Karnataka, India.

E-mail : info@ssdctumkur.org

Dr. Praveen B Kudva completed his graduation in Bachelor of Dental Surgery (1995) and Master of Dental Surgery in Periodontology (1999) from prestigious A B Shetty Memorial Institute of Dental Sciences, Mangalore. He has 25 years of experience in teaching including research.

Dr. Kudva was the past president of the Indian Society of Periodontology and formerly Acting President, Executive Committee member of ISP, and Business Manager of the Journal Indian Society of Periodontology and also, he also served as National Advisor to the Quintessence International Journal, Editor of the Journal of Dental Sciences and Research and Associate Editor of Journal of Medical and Dental Research as well as a reviewer in eleven (11) journals.

He has held the post of Director of Dental studies, Professor and HOD and PhD Guide. Dr. Kudva is the recipient of “The ISP BHATVADEKAR AWARD” for best clinical paper as well as four other best paper awards. Dr. Kudva has been awarded five advanced research grants from the Dept. of Science and Technology and the Govt. of Rajasthan and filed two patents to date. Dr. Kudva has numerous publications and has been invited as a speaker at National and International conferences and scientific congresses.

He has all along been a keen contributor to quality teaching and relevant research. His other main interest has been Institution building and he has demonstrated

his abilities in this direction at SSAHE, Tumkur. He is keenly aware of the need for improvements in any University system of education, which is a result of his very perspective interaction with academicians in several Universities in India and Abroad.

Awards and Conferences:

The department of Periodontology under his guidance has been bestowed with “Dental Excellence Award” in the year 2015.

He was the organizing secretary 39th ISP National conference Jaipur 2014.

Organizing Chairman ISP COLLOQUIUM Jaipur 2018.

Organizing Chairman 18th ISP National PG CON Jaipur 2019.

Research Publications of Dr. Praveen B Kudva as per the DCI Norms:

Details of Publications

S. No	Title of the Articles	Journal Details	Points
1	Hyaluronic acid: glimmer of optimism for the black triangles.	International journal of contemporary medical research 2020	5
2	Comparative study of hematological parameters of anemia in patients with and without periodontitis	Journal of advanced medical and dental research 2019	5
3	Comparative evaluation of isolation and quantification of stem cells derived from dental pulp and periodontal ligament of a permanent tooth and to assess their viability and proliferation on a platelet rich fibrin scaffold.	Journal of Indian Society of Periodontology.2017;21(1):16-20	15
4	Evaluation of correlation between obstructive sleep apnea and chronic periodontitis- a clinical study	International journal of oral care and research 2017	5
5	Correlation between superoxide dismutase and chronic periodontitis in patient with type 2 2 diabetes	International journal of oral care and research 2017	5
6	Mucocutaneous enigma –a case report	International journal of contemporary medical research- 2017	5

7	Comparative evaluation of PRF with metronidazole & PRF alone in treatment of intrabony periodontal defects.	Journal of interdisciplinary dentistry 2017	5
8	Interleukin expression as a diagnostic tool in chronic and aggressive periodontitis	International journal of preventive and clinical dental research 2017	5
9	Systemic medication- its effect on oral health	Iosr journal of dental and medical sciences	5
10	Comparative evaluation of PRF with metformin & PRF alone in treatment of intrabony periodontal defects – a clinical and radiological study 2017	International journal of oral care and research 2017	5
11	Role of viruses in periodontal diseases :a review	International journal of current microbiology and applied sciences. 2017	5
12	Performance analysis and relative assessment of turmeric, chlorhexidine gluconate and vital mouth wash in anticipation of plaque development and gingivitis.	International journal of all research education and scientific methods. 2017	5
13	To compare post frenectomy healing using conventional silk sutures & with cyanoacrylate tissue adhesive	IJPCDR OCT-DEC 2017	5
14	The palatogingival groove-an assassin	IJMOR-DEC 2017	5
15	Peripheral ossifying fibroma diagnosis to treatment plan –a case report	IJERMDC MAY 2017	5
16	Alveolar ridge deformities and correction- a review	JMSCR may 2017	5
17	Effect of non-surgical periodontal therapy on serum levels of pre dialysis chronic kidney disease patients	International journal of oral care and research 2017	5
18	Effect of clinical application of the GLUMA desensitizer versus gallium aluminium arsenide diode LASER in the treatment of dental hypersensitivity: a scanning electron microscopic study.	Int J PrevClin Dent Res 2017	5
19	A case report of a rare peripheral odontogenic fibroma	Journal of medical science and clinical research 2017	5
20	Oil pulling- a traditional Indian folk remedy	IJMOR 2017	5

21	Periodontal manifestation of epidermolysis bullosa: Looking through the lens.	Journal of Indian Society of Periodontology - 2016	15
22	Periodontology – The Years ahead.	Journal of Indian Society of Periodontology - 2016	15
23	“Biomaterial engineering”: The backbone for regeneration	Journal of Indian Society of Periodontology - 2016	15
24	Digital dentistry: The way ahead.	Journal of Indian Society of Periodontology - 2016	15
25	Systems medicine - Evolution of new era in health care.	Journal of Indian Society of Periodontology - 2016	15
26	The era of prevention: prevention is better than cure	Journal of Indian Society of Periodontology - 2016	15
27	Ethics in aesthetics- where to draw a line	IJCMR 2016	5
28	Comparative analysis and diagnosis on aerobic and anaerobic culturing techniques in oral microbiology	2016	5
29	Full mouth disinfection versus quadrant scaling and root planning- a review	International journal of enhanced research in medicine and dental care 2016	5
30	Role of 3-D animation videos in periodontics-depict, deduce and deliver	EC dental science 2016	5
31	Minimally invasive periodontics-need of the hour	International journal of contemporary medical research 2016	5
32	Wilkodontics – a gift of time	Ec dental sciences 2016	7.5
33	Systemic medication- its effect on oral health	Iosr journal of dental and medical sciences 2016	5
34	Vascularized inter positional periosteal connective tissue flap.	Journal of Indian Society of Periodontology - 2015	15
35	Research – Introspect, initiate, implement.	Journal of Indian Society of Periodontology - 2015	15
36	Dentascan- a diagnostic benefaction in periodontics	Journal of medical and dental research 2015	5
37	Probiotics-the way for a healthy periodontium	JMDR national 2015	5
38	Interspecies communication in oral biofilm	Iosr journal of dental and medical sciences 2015	5
39	A genetic –perspective on periodontal diseases	Journal of medical and dental research 2015	5
40	Periodontal systemic interrelationship: a two sided sword	JMDR 2014	5
41	Periodontal dressing	JMDR 2014	5
42	Application of LASER in periodontal: a case series	JMDR 2014	5

43	Gingival pigmentation and its management- a review	JMDR 2014	5
44	Periodontal microsurgery	Journal of advanced medical and dental sciences 2014	5
45	Photodynamic therapy in periodontics-an innovative therapy with dynamic range	Journal of advanced medical and dental sciences 2014	5
46	Distraction osteogenesis	Journal of advanced medical and dental sciences 2014	5
47	Comparative evaluation of the efficacy of turmeric and curcumin as a local drug delivery system: A clinico-microbiological study.	General dentistry international.2012	15
48	Management of palatogingival groove: a case report	Journal of medical and dental research 2012	5
49	Aloe Vera: Natures soothing healer periodontal disease.	Journal of Indian Society of Periodontology - 2011	7.5
50	Osseous choriostoma of the periodontium – A rare case report	Journal of Indian Society of Periodontology - 2011	15
51	Effect of green tea cathepsin a local drug delivery system as an adjunct to scaling and root planing in chronic periodontitis patients : A clinico-microbiological study.	Journal of Indian Society of Periodontology - 2011	15
52	Periodontal infections: a risk factor for various systemic diseases	National medical journal 2011	5
53	Clinical evaluation of anesthetic efficiency of lignocaine lozenges. A split mouth trial	Journal of medical and dental research 2011	5
54	Periodontal plastic surgery for cosmetic root coverage	Journal of medical and dental research 2011	5
55	Failures in periodontal therapy- a review	JMDR 2011	5
56	Calcium channel blockers and gingival overgrowth- a mini review	JMDR 2011	5
57	Bacteremia subsequent to periodontal procedures- a matter of concern- a laboratory study	JIDA 2011	5
58	A comparative study of chlorhexidine gel, metronidazole placed post scaling and root planning and unplaced	Journal of international oral health 2010	5
59	Role of saliva as a diagnostic tool in periodontal disease.	Archives of dental science 2010	5
60	Evaluation of clinical and metabolic changes after non-surgical treatment of type II diabetes	Journal of Indian Society of Periodontology - 2010	15

	mellitus patients: A clinico-biochemical study.		
61	Sericin A Boon to Medical and Dental doctors – A Review	International Journal of clinical and biomedical Research 2023	
62	Comparative study of Haematological parameters of anaemia in patients with and without chronic Periodontitis	Journal of Advanced medical and dental Sciences research 2019	
63	Periodontal manifestation of epidermolysis bullosa: Looking through the lens.	Journal of Indian Society of Periodontology - 2016	15
64	Comparative evaluation of isolation and quantification of stem cells derived from dental pulp and periodontal ligament of a permanent tooth and to assess their viability and proliferation on a platelet rich fibrin scaffold.	Journal of Indian Society of Periodontology.2017;21(1):16-20	15
